

Four Year Academic Planning Guide

	Four Year College and CSU Bound Students	2 Year College Bound & Vocation Bound	High School Graduation Minimum
Grade 9	CP English 9 *CP Algebra I <u>or</u> Integrated Math I PE Health Computer CP Biology or Earth Science (w lab) CP Foreign Language	CP English 9 * CP Algebra I: -CP Integrated Math (I or IA) -CP Algebra (I or IA) PE Health Computer CP Biology or Earth Science Elective	CP English 9 CP Algebra I: -CP Integrated Math (I or IA) -CP Algebra (I or IA) Earth Science or Biology PE Health Computer Elective
Grade 10	CP English 10 CP Math: -CP Integrated Math 2 -CP Geometry CP World History PE CP Earth Science (lab) CP Biology (with lab) CP Foreign Language	CP English 10 CP Math: -CP Integrated Math (IB, 2, 2A) -CP Algebra IB (If IA completed) -CP Geometry (if Alg. I complete) CP World History PE Biology Earth Science Elective	CP English 10 CP Math: -CP Integrated Math (2 or IB) -CP Algebra IB (If IA completed) -Geometry (If Alg. I complete) World History PE Biology Earth Science Elective
Grade 11	CP English 11 CP Math: -CP Integrated Math 3 -CP Algebra 2 CP US History CP VPA CP Elective CP Elective	CP English 11 CP Math: -CP Integrated Math (2 or 2A) -CP Geometry CP US History VPA Elective Elective	CP English 11 CP Math: -CP Integrated Math 3 or 2A -CP Geometry -CP Algebra 2 or 2A US History VPA Elective Elective
Grade 12	English: CP English 12 AP or Honors English CP Creative Writing CP Math: PreCalculus Probability and Statistics CP US Government CP Economics CP Elective CP Elective	CP English 12 CP Math: -CP Algebra 2 or 2A -CP Integrated Math 2B CP US Government CP Economics Elective Elective	CP English 12 CP Math: -Integrated Math 2B -CP Algebra 2B US Government CP Economics Elective Elective Elective

**Please Note: To qualify for CSU/ UC a student must complete three years of Mathematical content. If they take IA and IB the first two years of high school, students must complete Geometry and Algebra 2 by graduation. For community college it is recommended that a student completes 4 years of CP English and is proficient in math through Geometry. It is common community college students become stuck in a cycle of remedial Math and English. It is important to prepare now!
